DECLARATION OF CONSENT AND NO OBJECTION

Regarding public sharing and review of project materials

I, **Gurman Singh Dhaliwal**, bearing Enrolment Number **24324012**, from the Department of Physics, Indian Institute of Technology Roorkee, hereby give my consent and declare that I have **no objection** to the public sharing, uploading, access, and review of the project-related materials described below:

1. Source code

The source code may be uploaded by the concerned instructor/coordinator to GitHub after review. The GitHub link may be shared with the class or other interested reviewers so that the code can be accessed, downloaded, and examined. The code will be subject to review for originality and appropriate attribution, including checks for copied or otherwise improperly represented work, before it is shared.

2. Video presentation (Video-PPT)

The video presentation may be uploaded to YouTube after review, and the corresponding link may be shared with the class or made publicly accessible so that others can view and review the presentation and my performance.

3. Article or written report

If an article or written paper is prepared from this project, I have no objection to it being uploaded to a suitable preprint server and made publicly available for reading and review, subject to any applicable institutional, authorship, and publication requirements.

I understand that these materials may be viewed, downloaded, and reviewed by members of the public. I provide this declaration voluntarily and confirm that I have no objection to the above-mentioned sharing and review.
